SERVING PLATTERS

FEATURES & BENEFITS

- Stylish design helps to showcase contents superbly
- Stackable lid offers maximum shelf efficiency
- Secure closure ensures excellent product protection
- Multiple size options suitable for a variety of fresh products
- Clear rPET lid maximises product visibility
- Black rPET base offers a table presentable solution

IDEAL FOR

- Sandwiches
- Rolls
- Wraps
- Bagels
- Croissants
- Pastries
- Other fresh chilled and ambient foods

Our platters and trays offer great functionality and superb presentation of fresh foods, perfect for special events or parties. The contemporary designed platters ensure maximum and efficient use of shelf space with an integrated stacking feature on the lid and provide high clarity and excellent product protection. Black bases offer a premium table presentable solution, while clear lid panels allow easy labelling and maximum product visibility.

The platters and trays are available in a multitude of sizes which are ideal for showcasing filled sandwiches, rolls, wraps, bagels, croissants, pastries and many other fresh chilled and ambient foods.
