FOAMED INSULATION PACKS

FEATURES & BENEFITS

- Spoonable bottom for easier consumption
- Efficient insulation layer ensures longer dish' warmth and ice cream chill as well
- Applicable to use in microwave oven thanks to polystyrene immunity against microwaves
- Polystyrene ensures that food remains fresh and tasty longer
- Lightweight, rigidity and thermal-resistance allows easy hot drinks and food serving

Coveris' Foamed Insulation Pack is a perfect packaging solution for ready meals, take-away (soups mainly) and hot dishes. The range is available in various capacity with milk-matt or foamed polystyrene lid. Thanks to utilising robust material and their stability, packagings are very durable when transported and allow synergy generation thorough supply chain.

IDEAL FOR

- Ready meals
- Take-away food (soups mainly)
- Hot dishes
- Ethnic Food
- Ice cream
